

### TUITION FEES

Tuition fees for nonresident pupils who are approved for attendance pursuant to state law and the policy of the Holmdel Township Board of Education, will be computed annually by the Assistant Superintendent in Charge of Business/Board Secretary in consultation with the Superintendent and approved by the Board.

Tuition payments must be made for each semester in the amount required to the Assistant Superintendent in Charge of Business/Board Secretary's Office by the date established. If payment is not made within these provisions, the Superintendent and the Assistant Superintendent in Charge of Business/Board Secretary shall terminate the agreement. If termination is made, the appropriate school administrators will be notified.

Special education pupils from other school districts may attend the schools of Holmdel Township when there is room for them in the special classes or resource centers. Placement must have been approved by the sending Board of Education.

The Board of Education is not obligated to provide transportation for any nonresident pupil.
