

# Holmdel Summer Academic Enrichment Program

*Camps will be held at Village School, Monday-Thursday 8:30am-11:30am.*

## **Brick Lab Zoo** (for students entering 1<sup>st</sup> or 2<sup>nd</sup> grade in September 2017)

July 10-13

Instructor TBD

\$260

Join us on a spectacular journey around the globe as we travel through oceans, jungles, forests, mountains, and deserts to explore the wonders of the Animal Kingdom!

From camels to lobsters with stops in between, campers will collaborate and sharpen their critical thinking skills while exploring the Earth's ecosystem and the vital role animals play in it. Discover new and interesting facts about the world around you!

## **Rogue Rodent Mystery: A Crime Scene Investigation** (for students entering 1<sup>st</sup> or 2<sup>nd</sup> grade in September 2017)

July 17-20

Instructor TBD

\$260

Calling all budding scientists and forensic investigators! Campers will use laboratory techniques, procedures, and materials to get to the bottom of the most troubling crime. Join us to learn about crime scene investigation and help solve the Rogue Rodent Mystery!

## **Introduction to Robotics** (for students entering 4<sup>th</sup>, 5<sup>th</sup>, or 6<sup>th</sup> grade in September 2017)

July 17-20

Instructor TBD

\$260

Campers will learn scientific principles as they work together to build several robots including a Line Tracer, Avoider, Battle Robot, Soccer Robot, and more!

## **Mango Math: Jumping Into First and Second Grade** (for students entering 1<sup>st</sup> or 2<sup>nd</sup> grade in September 2017)

July 24-27

Instructor TBD

\$260

Campers will engage in activities and play games to review, develop, and expand their grade level understanding of measurement, algebra, number sense, geometry, odds, and order.

## **Mango Math: Jumping Into Third and Fourth Grade** (for students entering 3<sup>rd</sup> or 4<sup>th</sup> grade in September 2017)

July 31-August 3

Instructor TBD

\$260

Campers will engage in activities and play games to review, develop, and expand their grade level understanding of measurement, algebra, number sense, geometry, odds, and order.
