

## SATZ SCHOOL ACTIVITIES

Activity/Club Title	Description	Advisor
Builders Club	The Builders Club is sponsored by Kiwanis International and offers service opportunities to middle school – aged students. The goal of this club is to develop leadership qualities by working together in school and community projects. Builders Club is suited for young people who want to take positive action to build a better world for themselves and others.	Mrs. Broadhurst & Mrs. Asaro
Bridges	The Bridges program provides Satz students with the opportunity to get involved with community service by donating a variety of different items (food, clothing, etc.) to the Mercy Center located in Asbury Park, NJ.	Social Studies teachers
Chess Club	The educational objective of the Satz Middle School Chess Club is to create a comfortable and enthusiastic learning environment for students interested in chess. This club provides students the opportunity to learn new chess tactics, play against the high school chess team, and potentially compete in tournaments. They will be provided with professional chess tournament sets, timers, and instructional “Chess Tactics for Kids” books during the club, will be taught various tactics, and will learn professional notation techniques. Creativity will be stressed with different types of in- club chess tournaments and a unique 3-Man Chess Set. Furthermore, strengths and weaknesses will be more closely analyzed with an online Chess Analysis program. Overall, students are encouraged to compete and play professionally against one another in an environment where they can fit in and enjoy themselves.	Mr. Schultheis
Chorus	Seventh and Eighth grade chorus promotes knowledge, interpretation and performance of a high quality repertoire, appropriately chosen for the ability level of this mixed ensemble. Chorus welcomes students who are interested in singing various styles of music, learning vocal techniques and the fundamentals of sight singing. The class is performance oriented. Seventh and eighth grade students also have the opportunity to participate in the Handbell Choir, the Melody Ringers. The Melody Ringers meet during Zero Period on alternating days. Students learn the basic techniques of handbell ringing, including proper handling of the bells, multiple ringing styles, and sight reading. No experience is necessary in order to be part of the ensemble. Students who are part of Melody Ringers are unable to be part of the Concert Band, as they meet on the same day, although they may sign up for Concert Chorus.	Mr. Goetke
Concert Band	Seventh and Eighth grade Concert Band is an instrumental performing group that emphasizes participation in school concerts, activities and community events. Instrumental instruction is provided to the students and all participants are expected to perform in various concerts and activities. Students are also given the opportunity to participate in a	Mr. Koryat

	Jazz Band ensemble. Jazz Band offers the young musician a complete big band experience including full brass, woodwind, and rhythm sections. The music selection ranges from standard swing charts to various forms of popular music. Difficult solo sections are introduced and students have the opportunity to solo over simple blues patterns or more difficult chord progressions.	
Continental Math League (C.M.L.)	The contest is for 7th and 8th grade honors students. The C.M.L. team will receive 5 certificates and 2 medals. National and Regional awards will be distributed to recognize individual and team achievements. A team will consist of the top 6 scorers for each test. Contest dates will be announced well in advance.	Mrs. Amitrani
Drama/Musical Productions	Provides opportunity for 7th and 8th grade students to acquaint themselves with theater life. Producing at least one play and one musical a year, our students learn about various aspects of the theater ranging from costuming and props, to acting and singing, to staging and lighting. This is a wonderful way to meet other students and get involved in extracurricular activities. Check us out!	Mr. Tetreault and Ms. Connolly
Future City Engineers	The National Engineers Week Future City Competition is a hands-on, real world learning experience for middle-schoolers designed to show them how engineers shape the world. Seventh and eighth grade students use their math, science, and problem-solving skills to create the world of tomorrow as they compete with other schools from around the country to see who can engineer the most innovative and inventive cities of the future. The regional competition gets underway with the new school year in the fall and culminates with the regional finals in January. One winning team from each region will qualify for a trip to the national finals in Washington DC, which take place during Engineer's Week. The National Finals Grand Prize winners receive a trip to U.S. Space Camp in Huntsville, Alabama, provided by National Finals host Bentley Systems, Incorporated.	Mrs. McCafferty
Stage Crew	The Stage Crew plays an important role in all Satz School drama performances. They gather off stage to make sure the light and sound works properly for the audience and that the scenery and props are set up accurately. Stage Crew is open to all seventh and eighth grade students..	Mr. Ackerson
Newspaper	The newspaper is published by the students of William R. Satz School. There are many opportunities for students to become involved. The staff includes reporters, poets, artists, word processors, as well as people who sell and distribute the paper. Each issue is filled with important school and sports news, games, poems, creative writing and, occasionally, the controversial editorial.	Mr. Ferraro
New Jersey Math League (N.J.M.L.)	Seventh grade math and Algebra 1. The 7th grade contest will be given on the first Tuesday in February. The Algebra 1 contest will be given on April 15th or later. Tests will be received by mail. A certificate of merit is award scoring student in that school. Awards are given to the two schools with the highest total score in the League, the two students with the highest total score in the League, and the highest scoring school in the county.	Mrs. Amitrani
Student Ambassadors	The Student Ambassadors is a service-based organization designed to promote engagement between our students and the community. As an organization that is committed to improving the quality and quantity of	Mr. Bruce

	volunteer experiences available to youth throughout the district, we invite you to join this membership network so the goal of making service the common expectation and common experience of all young people can be realized.	
Student Council	Student Council is an organization run by the students of William R. Satz School. All students in good standing may be members. A 75 percent attendance rate is necessary to remain a member. The Student Council addresses issues and problems involving the school community. It is an open forum where student concerns can be voiced openly. The Council also plans activities to increase school spirit and a sense of belonging among all students.	Mr. Ebinger
Academic Competitions: Humanities	Academic Competitions: Humanities – Provides opportunities for 7th and 8th grade students to be involved in activities that enhance the learning that takes place in the classroom. Students do not sign up for the entire program but rather sign up for individual activities appropriate to their interests. Morning announcements and flyers keep students informed about the most current activities. All practice meetings take place during student lunch periods. Students are required to participate in at least one Project Plus activity in order to be considered an active member. Project Plus activities include: <ul style="list-style-type: none"> <li>• The National Geography Bee</li> <li>• The Battle of the Books</li> <li>• The Academic Bowl</li> <li>• Future City Engineers</li> <li>• The Scripts Howard National Spelling Bee</li> </ul>	Ms. Rafferty
Academic Competitions: Science Olympiad	Science Olympiad functions much like a football or soccer team, requiring preparation, commitment, coaching and practice throughout the year. Each school-based team is allowed to bring 15 students who cross-train for a variety of events in their skill set, but some school clubs have more than 75 members, allowing for an apprentice and mentoring system. Science Olympiad competitions are like academic track meets, consisting of a series of 23 team events in each division (Division B is middle school). Each year, a portion of the events are rotated to reflect the ever-changing nature of genetics, earth science, chemistry, anatomy, physics, geology, mechanical engineering and technology. By combining events from all disciplines, Science Olympiad encourages a wide cross-section of students to get involved. Emphasis is placed on active, hands-on group participation. Through Science Olympiad, students, teachers, parents, principals and business leaders bond together and work toward a shared goal.	Mrs. Flynn
Talent Show	The William R. Satz Talent Show provides any and all students with an opportunity to showcase their individual talents on the stage of the High School auditorium. Previous shows have brought us many varieties of ethnic dances with traditional dress as well as vocal solos, musical instrumentalists and even magic acts. We are looking forward to the new Millennium with enthusiasm. Who knows what new talent will appear. Remember you don't have to be a star to be in our show.	Mrs. Kapoor
Yearbook	The Satz Yearbook is a pictorial review of activities, teams and highlights of LIFE at the Satz School. The Yearbook staff of approximately 20 students from both 7th and 8th grades is randomly chosen from those who have expressed an interest at the beginning of	Mrs. Fox and Mrs. Cornacchia

	<p>the school year. The staff works in small committees: Editing Publicity Photography Sales Surveys Art Meetings are held throughout the school year – culminating in the 8th grade Yearbook Signing Party and distribution of books to the 7th grade.</p>	
<p><b>Youth Alliance</b></p>	<p>The William R. Satz Youth Alliance promotes a no-use message to students regarding drugs and alcohol. The Youth Alliance provides drug/alcohol free activities, to demonstrate through these activities that fun does not need to involve drugs or alcohol, and to relay a “NO USE” message through examples. The club is open to all 7th and 8th grade students. Students participate in a wide range of activities including school dances and trips to professional sports games. The Alliance has a structured leadership; a President, Vice-President, Secretary, Treasurer, and Class Representatives who help plan and coordinate activities. Meetings are held after school and are flexible to allow for student involvement in other school programs.</p>	<p><b>Mr. Bruce</b></p>
